

Support For Kids Organization, Inc.

Dear friends and supporters,

Volume/Issue 29

September 2014

Announcement

In a few days I am leaving for Georgia until the end of September. I am sure it will be another busy trip - visiting the kids who are spread around different parts of the country, setting the directions for future development and making some new contacts who will support our effort to make a difference in the lives of kids. Upon my return I will have just 20 days until our fundraiser. That is why I am asking you, please sign up as early as you can and also sign up as many as you can for our big event. As before, we have a minimum to meet (100 guests, otherwise we have to pay the difference). I will need the names of the guests you are bringing with you so I can make name tags and work on the seating arrangement. In early October, I will send you another reminder/announcement but hopefully you will make my job a bit easier and you already will be signed up by then. Together we can make our 5th fundraiser even more successful than before.

As in the last 4 years, we plan silent and fun filled live auctions & an opportunity drawing to help the kids in need. *Stage 4 Entertainment* kindly offered their service to create ambiance with their live entertainment and we are very grateful to them & their generosity. It is a great gathering of friends and well wishers and we have a lot of fun while raising funds for the kids. So please, reserve your tickets or a table now (tables of 8 are available for groups). Tickets are only \$50 each for the great food, unlimited drinks including tax & gratuity and most importantly it's for the great cause. We still appreciate checks as it saves us cost of credit card

processing fees. For tickets contact Ani at (858) 344 0808 or Mike at (858) 707 5099 or online:

www.supportforkids.org/tickets.htm *** WE NEED YOU

Your contributions in 2009 — 2012 helped us to raise nearly \$29,000 which has provided beds, a scholarship, clothes, shoes, and lots of smiles to nearly 500 kids who would have had none of those without your help. As many of you know, Ani travels to Georgia every year to ensure that your help gets to the kids. For her work, she does get to see those smiles first hand and we still only get to see pictures. We hope that you will continue to help us achieve our goals this year.
