Volume /Issue 20
September 2011

Fundraiser

DATE: 10/30/11

TIME: 12-3PM

Dear Friends and Supporters,

This will be a very short newsletter; mostly it's an announcement (once again) for our 3rd annual fundraiser on October 30th, 2011.

I am leaving for my trip to Georgia in 2 days and for the first time I'm scared of the length of this flight and the whole trip in general. I still can't walk without a cane or stand more than 10 minutes because of my back pain. When I thought that I was on the way to recovery, my knee decided to go "on strike". We still did not know if it was injured during the accident 4 months ago, or was it damaged during one of the torturous physical therapy sessions. My doctor suspects that I have a torn ligament or meniscus and has ordered MRI upon my return.

Against all the advice to cancel this trip, I am going anyway for 2 main reasons: 1) I have to distribute all the goods that arrived last month to the orphanages and present a record of delivery to the Georgian IRS and the Ministry of Finance within 1 month from the day when the goods cleared customs and 2) I have to bring photos and video material for our upcoming fundraiser. So, as you see, canceling this trip was not an option.

Dear supporters, the 30th of October is just 2 months away and so far I have only the 1/3 of the guaranteed number (100) of guest. So please, if you haven't reserved the table or ticket, I hope you will do it soon. As a reminder, the individual tickets are \$50 or offered at discount at \$400 for the table for 10 guests. If any of you have an affiliation with companies who are willing to purchase a table, their name will be advertised as one of our sponsors. I will have just 1 month upon my return to prepare everything for the event. In the beginning of October I will mail the invitations as a final reminder.

Once again I would like to thank you for your continued moral and financial support and I hope you will join us to help us raise funds for the kids again this year.

Sincerely,

Ani Mdivani-Morrow

3rd ANNUAL FUNDRAISER

Please join us again for a Fundraising Brunch at **Marina Village Catalina Room** 1930 Quivira Way, San Diego on **October 30th** starting at Noon until 4 pm. As in the last 2 years, we plan silent and fun filled live auctions and an opportunity drawing to help the kids in need. It is a great gathering of friends and well wishers and we have a lot of fun while raising funds for the kids. Once again we expect to have many great items in our auctions from unique art and jewelry to restaurants gift certificates and other things you can really use. Ani will have a short presentation of last years achievements. So please, reserve your tickets or a table now. Tickets are \$50 each. We are offering a discount for those who purchase a table of 10 for only \$400. Contact Ani or Mike at (858) 279 7339 for tickets or on the web at www.supportforkids.org/tickets.htm

Your contributions in 2009 and 2010 helped us to raise nearly \$18,000 which in 2010 got beds, clothes, shoes and lots of smiles to nearly 300 kids who would have had none of those without your help. 2011 got the kids 100 winter coats and other clothes and goods. As many of you know, Ani traveled to Georgia in 2009 and twice in 2010 visiting many orphanages and is going again in September 2011 to ensure that the coats and other goods get to the kids. For her work she does get to see those smiles first hand and we only get to see pictures. We hope that you will continue to help us achieve our goals again for next year.
